President's Message

Much has happened in one month and despite the constant stream of distressing news I hope you are well and coping with life after Covid-19.

Like all of us, the Marina District had several planned activities that were interrupted with the Stay at Home Order. These include:

The Nominations for the 2020-2022 Marina Executive Board
The postponement of the Annual Convention

The Nominating Committee was unable to report its list of candidates at the March 20 District Council meeting that was cancelled. According to the bylaws the next step was to call for nominations "from the floor". On page 3 we announce the slate and you will find instructions for the procedure to complete the Nominations. Since there are some empty slots on the slate we hope that you will give some thought to naming suitable candidates for the positions. Elections will take place when we are able to meet again.

On the following pages there is also a full list of all the awards that would have been announced at the Annual Convention. This includes all Club Reports, Writing Contest winners and Young Musicians Contest winners. The Craft and Photography Contest prizes were announced previously. We congratulate all the winners for their hard work. We are proud of your accomplishments and hope we can celebrate at a later time.

Because of the continuing stay at home order we have not yet been able to conduct the Art contest. Winners will be announced when the judging is complete. The Volunteer of the Year and the Membership Contests will also be awarded at a later date.

This is a solemn time of year for many people. However you observe let us remember the afflicted and their families and the army of citizens who are devoting themselves to their caring and healing. Please stay safe and healthy, Jane

MARINA DISTRICT CLUB NEWS

Marina District members have responded with wholehearted energy to do what they can to aid in the battle against the Covid-19 Virus. Many clubs are making facemasks benefiting many organizations, delivering Meals on Wheels, donating to helping organizations and a myriad of other ways to show our concern for our communities. The Woman's Club of Hermosa Beach organized a Volunteers to Help Group with over 250 member to run errands for those in need. The Torrance Woman's Club is making face masks for the USO, Torrance Library and the St. Joseph's Center for the homeless.

It is what we do and we do it well. Please share your activities so may we include them in the next Ship's Log.

The Woman's Club of Hermosa Beach was honored by the Mayor and City Council for their many years of service to the community. At an awards ceremony each member was presented a white rose to commemorate the Centen-

El Segundo Woman's Club Nears Its Centennial

History, culture, and philanthropy are at the heart of El Segundo Woman's Club.

By Carol Cervantes

Perhaps, on warm summer nights, you've heard live music coming from the historic white building on Standard Street that sits across from El Segundo High School. Maybe you've peered into the windows while walking your dog down

In a by line article El Segundo Woman's Club member Carol Cervantes described the history and contribution of the club. The 2 page color spread described the many activities that made the club such an honored part of the community.

NOMINATIONS FOR 2020—2022 MARINA DISTRICT

CALL FOR NOMINATIONS FROM THE “FLOOR”

The nominating committee names the following slate for election of officers for the 2020-2022 Marina Executive Board. Alycia McCord is President-Elect

1st VP: —

2nd VP: Maureen Kamph

Recording Secretary: Carole Kanter

Financial Secretary: —

Treasurer: —

Auditor: Jane Thomey, Maggie Connolly

Originally scheduled at the cancelled March 20 District Council meeting, the Marina District Bylaws call for nominations from the “floor” after the Committee has announced its slate of candidates.

Since we are unable to conduct this in person we will do so by e-mail.as follows:

- Consult the District Bylaws (Article V: Officers of the Executive Board) for descriptions of each position you are naming a candidate
- Nominate as many candidates for positions as you wish provided they are qualified.
- Send the names with positions by e-mail to your Club President by April 16, 2020,

Thank you for your help. Elections will take place when we are able to meet.

This procedure is similar to the one in place by the California Federation of Women’s Clubs (CFWC). It follows the precedent established in 1945, the only other time in history when because of World War II the CFWC could not hold its election at convention. The procedure has been approved by the current legal counsel retained by CFWC.
